

GET THE CHEESE, AVOID THE TRAPS: An Interactive Guide to Government Contracting

Chapter IX Be A Part of the GSA Movement

Think about your business and answer each question before moving on. Record your results.

Do these requirements seem familiar? Where else have you seen this required information?

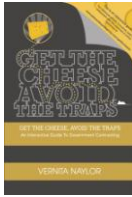

It is at the discretion of the Contracting Officer. The CO can do this based upon what?

The 8(a) STARS or 8(a) STARS II are set-aside programs designed for small businesses similar to the SBA 8(a) Program. Do you remember what that is?

Do you recall what the SBA program offers?

Do GWACs use the IDIQ process?

Why or why not?

View the GWAC Chart to see the buyers, other suppliers, obligated sales and task order awards. Let me give you a little more background on the Schedule that would help us to transition to the other tools available through GSA. What are some other names for the GSA Schedule?

Do you remember what happens after the RFI process?

Why else do you believe this tool was created? Hint: MAS, GWACs, and eBuy.

Can you think of another agency that may need these *special* types of programs?
